Regular Board Meeting

Date: June 08, 2017
Topic: Lena Shaw Elementary (Site 055)
Request - Consent for Road and Sales Agreement

Background:

The Board of Education received a request from the City of Surrey regarding upcoming road improvements planned on 100 Avenue. The city requires a portion of the School District's property (approximately 470 square metres) along the southwest corner of the Lena Shaw Elementary site. The acquired land will be used to create sidewalks, green boulevard and a bike lane along 100 Avenue. The affected area is highlighted on the attached photo.

As part of the road projects in the area, the City will also complete improvements along 100A Avenue between 141 Street and 143 Street which will benefit Lena Shaw Elementary. The improvements includes new sidewalks, street lighting, on-street parking and pedestrian crossings.

In order to undertake the improvements along 100 Avenue, the City requires an authorized Consent for Road and a Sales Agreement from the District.

School district staff are working with City of Surrey and Ministry of Education staff to ensure necessary processes are completed prior to seeking Board approval on June 22, 2017 for the requested land disposal.

It is recommended:

THAT the Board receive the request for Consent for Road and Sales Agreement for information.
