

Administrative Memorandum

Regular Board Meeting

Date: June 10, 2020
Topic: Sketch Plans: Site 207 Elementary – New School
Submitted by: D. Greg Frank, Secretary-Treasurer

Background:

Site 207 Elementary, 1960 165A Street, was approved for a 27-classroom new school by the Minister of Education on April 6, 2020. The new school will have the capacity of 80K/575 students.

The sketch plans are being brought forward to the Board of Education for information and to receive any input the Trustees may have on the proposed plans.

The architect for the project, Ray Wolfe, Architect AIBC, MRAIC, Partner, Thinkspace Architecture Planning and Interior Design, will present the sketch plans to the Board.

It is recommended:

THAT the sketch plans for a new school at Site 207 Elementary, 1960 165A Street, be received as presented.
